

The WISE Fun Run is Sept 30th!

WHAT: The WISE Fun Run, organized by The WISE Foundation, is one of the school district's largest annual fundraisers for students' music, art, library and technology programs. The goal for this year's Fun Run is to raise **\$60,000** (slightly more than we raised last year)!

WHY: The WISE Foundation is a non-profit community organization to help fund the music, art, library and technology programs for students in the Waugh School District. Without the financial support of our community, these programs wouldn't exist in our schools!

WHEN: Wednesday, Sept 30th, during the school day. Each student will bring home a pledge sheet after the Fun Run Kick-off Assembly on September 14th.

WHERE: Meadow and Corona Creek schools, around the "WISE Fun Run Loops" on the playground. Note: most students will run **36 laps** around the "Loops," which are smaller than the school track.

WHO: We need YOUR help to make the Fun Run a success:

1. All students do the running.
2. All parents reach out to friends and family to collect pledges (flat donations or pledges per lap), starting September 14th!
3. Two hundred parent/grandparent volunteers are needed for the event day and some of those are also for the planning committee. We hope you're interested! If so, please see the attached flyer.

More info can be found at www.wise4waugh.org/event/fun-run-2015.
