# PARENT GIVING PROGRAM

**The WISE Foundation** is dedicated to enriching the educational experience of the children in the Waugh School District by raising funds to support the art, music, computer lab and library programs provided by the district. Participating in our **Parent Giving Program** is just one way you can help.

Last year, WISE gave the Waugh School District \$165,000 to fully fund these programs, yet these programs are still not at full capacity since the state budget cuts and the needs are increasing each year. With your continued support, WISE will sustain educational opportunities for the students in the Waugh School District. **All it takes to completely fund these programs is \$275 per student annually.** By funding these programs, The WISE Foundation enables the district to use state funds for other important services/programs that benefit all students like smaller-than-average class sizes, instructional assistants, reading specialists, English Language Development teachers, Library aides, and textbooks.

Your support is valuable to us and any amount is appreciated. We also offer a monthly payment option. You can make a payment by credit card, cash or check.

**To pay online with a credit card, please visit our website at [www.wise4waugh.org](http://www.wise4waugh.org) and click on the "Donate Now" button at the top of the page, or you can submit the form below to the school office.**

Together we are... *enriching today, for a better tomorrow.*
